Funded Research – Grants

- 2010 “Training in Primary Care Medicine and Dentistry,” U. S. Department of Health and Human Services, Health Resources and Services Administration, Award \$1,223,615.00. *This grant enables the Physician Assistant Program to expand its training to the U. S. Virgin Islands which are medically underserved. The territory had no graduate medical education prior to this.*
- 2010 “Equipment to Enhance Training of Health Professionals,” U. S. Department of Health and Human Services, Health Resources and Services Administration, Award \$273,332.00. *This grant provided the electronic equipment required for interactive video conferencing, the method of delivery of didactic education to distant sites.*
- 2009 “Physician Assistant (PA) Training Program Serving Medically Underserved Communities,” Raskob Foundation for Catholic Activities, Inc., Award \$7,500. *This grant supported the travel expenses of Barry University Physician Assistant (PA) students on clinical rotations in rural and remote counties (primarily in central and western Florida) to increase access to health care for these medically underserved communities.*
- 2005 “Aetna Foundation Grant to Aid Barry Physician Assistant Diversity Project,” Award \$35,000. *This grant provided funding for Barry PA students to travel to remote, rural, medically underserved communities in Florida and provide health care to those with culturally different medical practices.*
- 2004 “Training in Primary Care Medicine and Dentistry Cross-Cultural Distance Education PA Training Project,” U. S. Department of Health and Human Services, Health Resources and Services Administration, Award \$509,652. *This grant provided the opportunity to expand physician assistant education to the west coast of Florida. At the time there were no PA Programs to serve place bound students.*
- 2003 “Supplemental Cross Cultural Primary Care Training Project,” U. S. Department of Health and Human Services, Health Resources and Services Administration, Award \$75,000. *This supported the above effort.*
- 2001 “Barry University Cross Cultural Primary Care Physician Assistant Training Program,” U. S. Department of Health and Human Services, Health Resources and Services Administration, Award \$439,917. *This grant provided for the development of a cultural competency curriculum and service-learning endeavors.*

Professional Development

This section outlines the professional development mentored in the PA Program faculty and staff.

2012 - present	Chair	Millennial Task Force
2011 - present	Chair	PA Program Creative Team
2010	Chair	PA Program Mini Team(s) Retreats
2010	Chair	PA Program Team Building, Key Issues Facing Program, Discussion, Reports
2009	Chair	PA Program Mini Team(s) Retreats
2009-2010		Planning faculty and staff redundancy models as part of succession plan. Planning development workshops on enabling the new types of learners. Working with dean on spirituality and reflections in school
2009		Invited Dr. Carmen McCrink to conduct seminars for faculty on adult learners
2009		Invited Dr. Carmen McCrink to conduct seminars for faculty on construction of a grading rubric
2008	Chair	PA Program Accreditation and Team Building
2008 - 2009		Literature review, meetings with educators in preliminary work of identifying best curriculum delivery for new generation of tech-savvy, instant information, active student. I've taken the PA Program from its infancy to a well-established, highly regarded, nationally respected leader in PA Education. Our delivery of didactic curriculum thought interactive video conferencing is a new delivery method that is transportable
2008		PA Program Faculty Development includes technology training by Dr. Anita Naravane and includes PowerPoint, Camtasia Studio, Jing, Turning Point Response Ware, Blackboard, Soft chalk, View Desktop

		Sharing, Panopto, Microsoft Office. Training is conducted with interactive video conferences in groups or one-on-one sessions as requested throughout the year.
2007	Chair	PA Program ARC-PA and Curriculum
2006	Chair	PA Program Accreditation, Self-Study and Site Visit Planning
2006	Chair	PA Program Administrative Team Restructure Retreat
2005 - present		Training faculty in Problem Based Learning
2005	Chair	PA Program St. Petersburg Expansion Planning
2005	Chair	PA Program Teambuilding
2004	Chair	PA Program Faculty/Staff Retreat Satellite Distance Education Program St. Petersburg
2003	Chair	PA Program ARC-PA Updates/Grant and Curriculum
2002	Chair	Review of Strategic Plan
2001	Chair	PA Program Cross Cultural Primary Care PA Training Project
2001		Establishment of Cultural Competency seminars for faculty and staff
2000	Chair	PA Program Faculty Retreat and Strategic Planning Meeting
2000 - 2010	Chair	PA Program Retreats

Service to the Community

Caridad Clinic, Boynton Beach, FL, volunteer medical care, 2011-Pandemic

Palm Beach County Health Department, West Palm Beach, FL, volunteer medical care, 2010

Research

Having had the privilege of serving as the Chair of the Institutional Review Board and prior to that as a member of the Board, I have been in the unique position also of being called upon to mentor students and faculty throughout the University with respect to their research and the protection of human subjects. I have reviewed every research project from our university for the past 9 years. This has been a humbling privilege.

Media Experience [television, radio]

2011 “*Vibrant Health*” radio talk show interview, US Virgin Islands Gov. Juan F. Luis Hospital and Medical Center, Cardiac Center with Dr. Robert Centenoj

Pre-Medical Career: Worked in radio stations as copywriter, announcer; worked as television production assistant, New Hampshire Network, Public Affairs Unit

CONSULTANT ACTIVITIES

Presently Physician Patient Advocate Work with individual patients facing complex medical options to guide them to make valid, informed choices

2012 Discussion with a surgical group in Florida that wanted to create a PA post-residency program (pro bono)

2011 Met with the President of FIU concerning their interest in starting a PA Program (pro bono)

2011 Discussions with the President of NUHS concerning their interest in starting a PA Program (pro bono)

HONORS AND AWARDS

2012 Inducted into the Physician Assistant Pi Alpha Honor Society

2012 Presented by Barry University Institutional Review Board “Chair Emerita” 2005-2012

2012 Nomination for the Visionary Award of Excellence, Barry University

2001 Faculty Member of the Year Award

2003 Professor of the Year Award

1995-1997 Florida College of Emergency Physicians for Dedication and Leadership While Serving on the Board of Directors

1994-1997 Florida College of Emergency Physicians for Dedication and Leadership While Serving as Co-Chair of Education Committee

INITIATED SCHOLARSHIPS

Over the years various members of the faculty and staff have offered named scholarships. Many of these are still being awarded.

- 2001 Catherine Margaret Parkhurst Memorial Scholarship is awarded to the Physician Assistant Program student who demonstrates compassion and sensitivity. Funded by Dr. Doreen C. Parkhurst in memory of her infant daughter.
- 2001 Carolyn Parkhurst Rosser Scholarship is awarded to Physician Assistant Program student who demonstrates strong moral and ethical character. Funded by Dr. Doreen C. Parkhurst in honor of her daughter.
- 2002 Emanuel Fien Memorial Scholarship is presented to a Physician Assistant Program student for outstanding performance in Physical Diagnosis and Clinical Skills Exams.
- 2002 Program Director's Award is presented to the Physician Assistant Program student in recognition of scholastic achievement.
- 2002 Vernon A. & Virginia M. Culver Memorial Scholarship is awarded to a Physician Assistant Program student who has demonstrated excellence in research analysis through the Library Research Paper and performance in Clinical Epidemiology.
- 2002 Ancel Eric White Memorial Scholarship is awarded to Physician Assistant Program students who show professionalism and high ethical standards during the clinical phase of their training.
- 2002 Edith M. Keppler Scholarship Award honors the life of Edith M. Keppler, a woman of dignity and dedicated to women's and civil rights.
- 2002 Natural Medicines Comprehensive Database Recognition Award is presented to a graduating senior in the Physician Assistant Program who has exhibited an interest in the use of natural medicines and whose academic and/or extracurricular activities demonstrate that the individual exhibits outstanding promise in the assessment, evaluation or delivery of patient care related to the use of natural medicines.
- 2003 Dr. Drew Feinerman memorial Scholarship is awarded to the Physician Assistant Program student who has demonstrated leadership capability and who is committed to community service.
- 2003 Dr. Jules Ross Award is a memorial to honor one of our first and finest faculty members and the first Program Medical Director. The Dr. Jules Ross Award is awarded to a Physician Assistant Program student who demonstrates enthusiasm and excellence in community service.
- 2003 Rubenia White Award is awarded to the Physician Assistant Program students who show flexibility, strong work ethic and a strong ability to relate well to preceptors and staff during the clinical phase of their training.
- 2004 Marc and Mildred Rice Memorial Award is awarded to a Physician Assistant Program student whose 300–500-word essay on "What A Child Taught Me" is chosen as the most meaningful.
- 2005 Barry University Physician Assistant Program Endowment Fund. The awards are based upon financial need and given to first year students in the Program who may nominate themselves or their fellow classmates. When this endowment was created the Program sponsored fund-raising activities and faculty and staff pledged to the annual fund in order to reach the required threshold.
- 2006 Goldie Fien Memorial Scholarship is awarded to the Physician Assistant Program student who demonstrates excellence in Physical Diagnosis and has the qualities of compassion and caring that a PA should have.
